Preaching the TRUTH, in LOVE, on FIRE!

Pastor David Grice

Dear Pastor,

I would like to recommend to you the JD Young Family for consideration to become part of your Missions program. I first met the Youngs, many years ago, when they were students in classes I taught at the Norris Bible Baptist Seminary. They were good students with great attitudes and dedication to preparation for the ministry.

Two years ago, Bro. JD moved his family from Victory Baptist Church in Weatherford to Grand Prairie, so he could intern at our church. JD and Vanessa immediately got to work at Lighthouse Baptist Church, serving in our soul-winning program, nursing home ministry, preaching rotation, Children's Church, choir, and doing anything asked of them. Our church family fell in love with the Youngs, and after prayerful consideration and many meetings with Bro. Charles Wetherbee (their former pastor), it was decided that Lighthouse Baptist Church would be the sending church and authority for the Young Family, as they go to Honduras.

The Youngs are mature in the faith, dedicated to the ministry, and worthy of support. We understand how precious Missions dollars are... and we also realize how precious time is. Our prayer is that your church and other churches would partner with us to help get the Young Family to Honduras, where a ministry already awaits their arrival. It will be a great investment, as Bro. JD preaches the Gospel to the lost, disciples the saved, and helps to start churches throughout Honduras. He has been to Honduras multiple times, and already has a great relationship with the missionaries (The Pridays) that he will be working with during their first term. Bro. JD is already taking intensive Spanish with one of the men in the church where he'll be serving, via the internet. Now is a great time to have the Youngs in, and prayerfully consider partnering with them prayerfully and financially.

If you have any questions at all, please don't hesitate to call me at 214-315-5422.

Sincerely,

David Grice
Pastor
