Building Families by the Book

Dear Pastor,

I am writing to ask you to prayerfully consider J.D. Young and his family for support as missionaries to Honduras.

We have supported him on several mission survey trips to give him the opportunity to confirm God's leading and now he is ready to step out by faith. I have been his pastor for about 13 years and he has been a strong, faithful and dedicated man, as well as his dear wife.

He is very intelligent, trustworthy and diligent. I believe he has the potential for doing a work in Honduras that God will bless.

His plans are to work with Bro. Harold and Lena Priday who are members here at Victory and I have been their pastor for over 25 years.

Last year he took an intern position with David Grice in Grand Prairie and has been faithful there as well. Because we already have 11 missionaries sent out of our church, he has decided to go out under Bro. Grice and the church there.

I am proud to have been his pastor and I recommend him without reservation. Please feel free to call me at any time in regards to J.D. if you have any questions or need further information.

Thank you for any consideration you might give him.

All For His Glory and the Great Cause of Missions,
