

The Young Family, Missionaries to the People of Honduras

"Come over... and help us!"
Acts 16:9

Dear Churches and Friends,

February 2019

February has been an exciting month. We have met many new people that will leave a lasting impression on us. The Mission Conference in Mesquite had several souls saved and the speaker's sermons were very encouraging to us. We want to thank Open Door Baptist Church for helping us get a hitch installed on our van. This hitch will be used while we are traveling to pull a cargo trailer. Having our display and several suitcases, along with the six of us made for a very crowded ride. Soon we will be able to stretch out a little more going down the road. We are thankful to the new churches that have picked us up for support. These churches were a blessing to my family and we enjoyed their Christ-like spirits while attending. Pastor Bogan at Calvary Baptist Church in Gatesville, being a former missionary to Germany, was very kind and his people were very warm and welcoming.

It was also a great honor and privilege to preach from my former pastor's pulpit. I surrendered to the ministry under the preaching of Pastor Weatherbee and it is always humbling to step in there and preach from the Bible in his pulpit.

Next month will be very busy for us. We currently have seven different churches we are scheduled to be in. Three of these churches will be full mission conferences. Please pray for our kids as the thousands of miles of traveling and being in new churches will be a challenge for them. We will be driving up to Dayton, Ohio for a week as I could not pass up the opportunity to be in Cornerstone Baptist Temple's Mission Conference. We know God is doing great things at that church and it will be good to see them again.

Prayer List:

- Traveling mercies as we visit new churches
- Our children adjusting to life on the road
- Raising further prayer and financial support

In Christ,

Jimmie Young
