

The Young Family, Missionaries to the People of Honduras

"Come over... and help us!"
Acts 16:9

Dear Churches and Praying Friends,

July - August 2019

The last two months have been exciting for our ministry with several churches promising their support soon, several more beginning their support, and another church already increasing their support. We are on track to having close to half our monthly support raised for the field very soon.

In August, when visiting a church in South Texas, we were able to take two separate trips across the border into Mexico and pass out tracts and some John and Romans. While in Matamoros, Mexico we had the opportunity to speak to some people in a migrant camp. I was able to speak to a man traveling from Nicaragua and share the Gospel with him. Please pray that those people, through their difficulties, see Christ and His gift of salvation offered unto them.

The month of September will be busy with many new churches on the schedule to visit. We will be in Texas for the month of September, traveling to the Panhandle very soon. Our children have started a new homeschool program that should be able to fit them well while traveling and visiting churches. We are aggressive with their studies and want to make sure they keep up academically. Our eyes are ever set on Honduras and the work we have been called to do. Thank you for your support and prayers.

Prayer List:

- Traveling mercies as we visit new churches
- Our children adjusting to life on the road
- Raising further prayer and financial support

In Christ,

Jimmie Young
