

The Young Family, Missionaries to the People of Honduras

"Come over... and help us."
Acts 16:9

Dear Churches and Praying Friends,

November - December 2020

Greetings from Honduras. We pray everyone had a great Christmas celebrating the incarnation of our Lord Jesus Christ. We pray that God has many blessings in store for all of us in this New Year of 2021. Our family celebrated our first Christmas here in Honduras.

We are settling into the new culture and language, meeting new people, and learning about the country. October and November brought two back-to-back hurricanes. These two hurricanes, ETA and IOTA, devastated many areas of the country. We brought food, supplies, and most importantly the Gospel to some of these affected areas. Please pray that these people will read the tracts that we distributed and believe on Christ.

I have advanced from a beginner to an intermediate level of Spanish. I have also had several opportunities to preach and teach in the Spanish language. I have completed four months at the Spanish Language Institute of Honduras, but have many more months to reach an advanced level of Spanish.

While in language school, we are helping with two mission works here alongside two veteran missionaries. These ministries have kept our schedule full by helping in two different barrios (neighborhoods). We were able to participate in one of the Christmas singing programs as well.

We are focused on establishing relationships with the Honduran people by learning their language, culture, and way of life. We thank you for your support and prayers for our family as we minister to the Honduran people.

Prayer List:

- Opportunities to witness
- Learning the Spanish Language
- Our family adapting to the Honduran Culture

In Christ,

Jimmie (J.D.) Young
